

BOAT HOUSE BULLETIN

MAY 2011

Summer Hours begin Sat. May 14th
Mon – Fri 8am – 7pm; Sat & Sun 8 – 8p

To All Our Boat House Families:

THANK YOU to all the friends and families that joined us for our 10th anniversary and Season Kick Off Party April 17th. We had a nice turnout, great food, and the best weather we could have asked for. We hope to see you all wearing your Boat House T Shirts on the lake this summer!

The Boat House once again would like to recognize and Thank Captains **Sheehan, Peterson,** and **Morris** for being loyal storage customers for the past ten years.

SUMMER STAFF:

We are pleased to say our staff this summer is all returning, well trained and well liked young men that have been with the Boat House from two to five years!

BOAT HOUSE IMPROVEMENTS:

This winter we installed **Security Cameras** on the Property. We have a monitor in the office that helps the staff view the activity at the dock. We can access the cameras remotely at anytime from anywhere. This gives us a real comfort feeling to be able to log in and see the property when we are experiencing high winds and water levels as we have lately and see that no damage has been done.

We installed **Two Exhaust Fans** in the Dry Stack to help ventilate the building and move the diesel fumes outside.

Wiggins is sending us a **Muffler System** for the Newest Forklift to alleviate the exhaust issue we have had with this lift.

We purchased a **Floor Cleaning Machine** so we can keep the dry stack floor clean and not track dirt and soot into our customers boats or the Ship Store/Office Area.

As Always We Cherish Your Friendships and We Appreciate Your Business!

The Boat House Staff,

Ryan, Berek, Erin, Cory, Aaron, Will, Dan, and Barbara
